Intro with music	GIVING YOU THE EDGE ON HEALTHY LIVING, HERE'S MAYO CLINIC MEDICAL EDGE.
	MICKEY PAYNE HAS A DOCTORATE IN THE NATURAL SCIENCES, AND IT TAKES A PRETTY CRAFTY TROUT TO OUTSMART HIM.
Mickey Payne, Patient	"THE WATER LOOKS A LITTLE MURKY TODAY, BUT WE MIGHT BE ABLE TO COAX ONE OUT."
	MICKEY'S NOT EASILY FOOLED BY THE FISH, BUT HE SURE HIT A SNAG WHEN KIDNEY CANCER MIMICKED WHAT HE THOUGHT WAS A MASSIVE HEART ATTACK.
Mickey	"IT WAS A SHOOTING PAIN, BUT IT WAS DEEP INSIDE."
	THAT'S BECAUSE THE TUMOR,

	<p>WHICH STARTED IN HIS KIDNEY, GREW OUT AND UP INTO HIS HEART. THEN A PIECE BROKE OFF AND LODGED IN HIS PULMONARY ARTERY, BLOCKING BLOOD FLOW.</p>
<p>Michael Blute, M.D.</p>	<p>“THIS WAS A CRITICAL EVENT FOR THIS PATIENT. HE WAS EXTREMELY LUCKY THAT HE GOT TO MEDICAL CARE.”</p>
	<p>DR. MICHAEL BLUTE HEADED THE TEAM AT MAYO CLINIC THAT OPERATED ON MICKEY. AFTER PINPOINTING THE CANCER, DOCTORS REMOVED THE TUMOR IN THE ARTERY AND HEART. THEN THE CANCER IN HIS KIDNEY. A COMPLICATED OPERATION. BUT MICKEY IS ALIVE AND BACK TRYING TO OUTSMART THE TROUT.</p>
	<p>FOR MORE INFORMATION, TALK TO YOUR DOCTOR OR VISIT MAYOCLINIC.ORG. I'M VIVIEN</p>

	WILLIAMS.
