<b>Intro with music</b>	GIVING YOU THE EDGE ON HEALTHY LIVING, HERE'S MAYO CLINIC'S MEDICAL EDGE.
	WHAT WOULD SOCIAL AND BUSINESS ENCOUNTERS BE LIKE IF YOUR HANDS WERE ALWAYS WRINGING WET?
<b>Dawn Jaroszewski, M.D.</b> <b>Track 1 (:30)</b>	"HYPERHIDROSIS IS ACTUALLY A VERY INTERESTING PHENOMENON. IT'S BASICALLY PEOPLE WHO SWEAT LIKE CRAZY."
	IN PLACES LIKE THE HANDS, FEET, FACE AND UNDERARMS. PATIENTS WITH Milder cases may be HELPED BY PRESCRIPTION ANTIPERSPIRANTS, MEDICATIONS, EVEN BOTOX INJECTIONS. BUT IF THOSE DON'T WORK, MAYO CLINIC

	<p>DR. DAWN JAROSZEWSKI HAS ANOTHER OPTION. RUNNING ALONG BOTH SIDES OF THE SPINE, ARE THE SYMPATHETIC NERVES—THE NERVES THAT CONTROL SWEATING</p>
<p><b>Dr. Jaroszewski</b> <b>Track 2 (2:55)</b></p>	<p>“WE GO IN, WE PLACE CLIPS ON BOTH SIDES AND PATIENTS DO VERY WELL. BEFORE THEY LEAVE THE HOSPITAL THEY’VE ALREADY STOPPED SWEATING.”</p>
	<p>THE CLIPS DISRUPT THE NERVES’ NORMAL FUNCTION. THE SURGERY HAS A VERY HIGH SUCCESS RATE. PLUS, IT’S AN OUTPATIENT PROCEDURE SO PATIENTS CAN GO HOME THE SAME DAY.</p>
	<p>FOR MORE INFORMATION, TALK TO YOUR DOCTOR OR VISIT <a href="http://MAYOCLINIC.ORG">MAYOCLINIC.ORG</a>. I’M VIVIEN WILLIAMS.</p>
